PROFILE

UAE-based multidisciplinary visual artist with three years of industry experience across filmmaking disciplines, including cinematography, editing, color grading, and VFX. I create high-quality visual content for social media campaigns, live events, and branded productions, managing projects from concept to final delivery. Experienced in collaborating with creative teams and clients to meet tight deadlines while maintaining strong visual storytelling and technical precision.

WORK EXPERIENCE

CLIENT-BASED WORK @ MISCELLANEOUS

SWEY: SEE THE WORLD, SEE YOURSELF (2025) for Swey Collective

- Colorist

KAISE MAIN BATAU (2025) for Dhi Harmony

- Colorist, VFX Assistant, Storyboard Artist, Camera Operator

TRUE TERMS CONSULTANCY ADVERTISEMENT (2025) for Business Network International (BNI)

- Post-Production Head, Editor, Colorist, Sound Designer

CAMERA OPERATOR – EVENT VIDEOGRAPHER – SOCIAL MEDIA CONTENT CREATOR @ JAZZROCKERS INC.

- Shot and edited video coverage for flagship company events as part of a broader team of camera personnel, interviewed event participants and influencers, and worked closely with client-end representatives to best refine social media short-form content deliverables.
- Participated in pre-production event planning, including floor layouts, camera placements, and camera operator movement strategies to ensure efficient on-site coverage and smooth live operations.
- Adapted quickly to fast-paced live event environments, capturing key moments and refining edits under tight turnaround deadlines for timely digital release.

CINEMATOGRAPHER – MULTIDISCIPLINARY FILMMAKER @ MDX STUDIOS

- Worked in the camera department across numerous studio productions as a Director of Photography, Camera Operator, and Assistant Camera, familiarizing myself with various camera systems and leading camera department personnel during shoots.
- Executed roles in post-production, including editing, color grading, sound design, and visual effects on short film projects, spec advertisements, and client-commissioned music videos.
- Served as core crew on live broadcast sets, and assisted in rigging lighting setups and production design.
